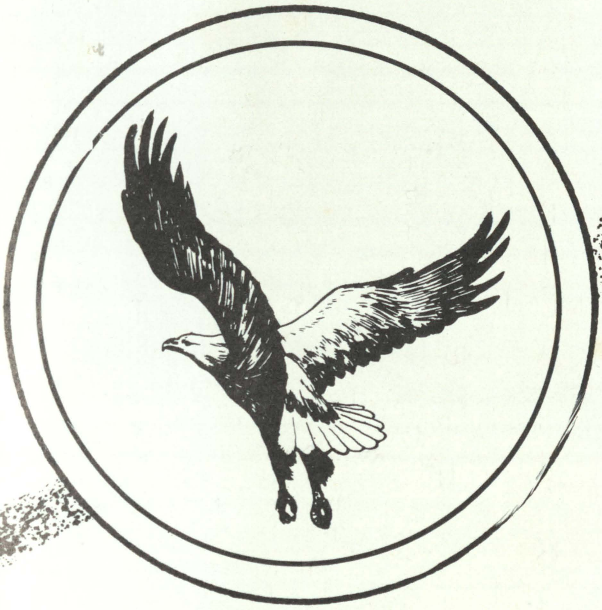
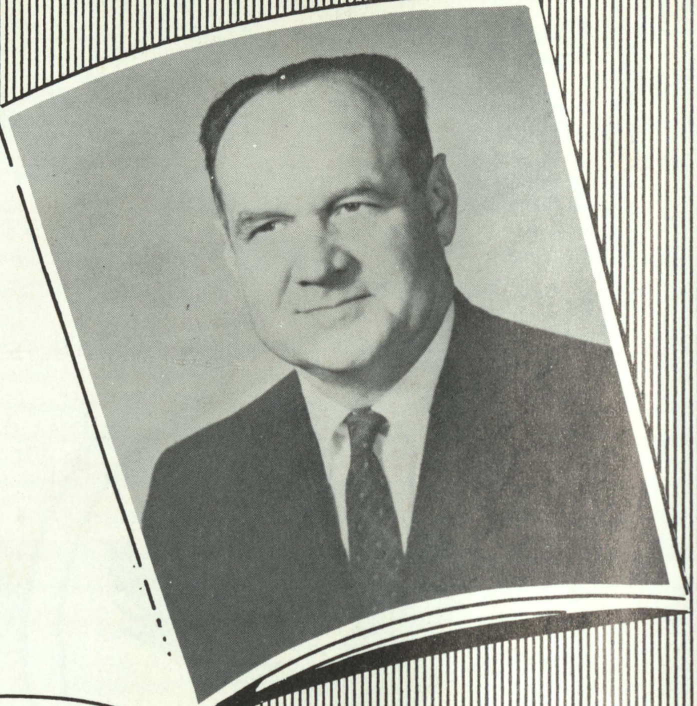
THE Eagle's Nest 1960

LORD BALTIMORE
1960



THE
EAGLE'S NEST

PRINCIPAL'S MESSAGE

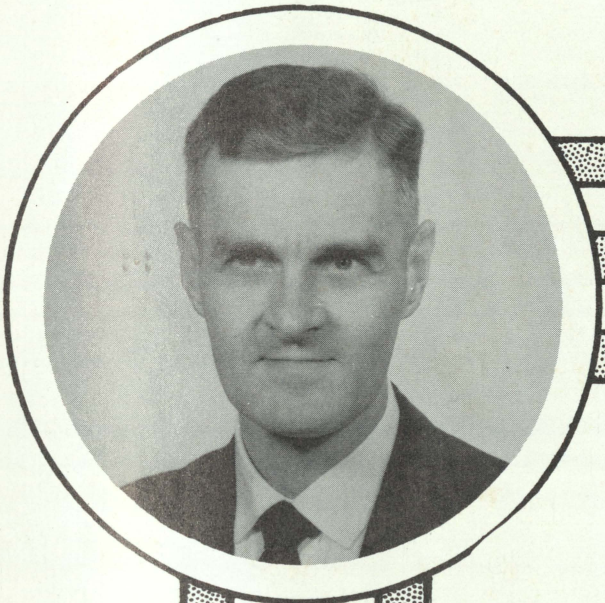


Ambition is one of the greatest assets a person can have. Without ambition we must sit and wait, serene in our wisdom, and do little to justify our existence or to make the world a better dwelling place.

It is necessary that your ambition be a worthy one, and not for material benefits alone, not a selfish desire that has no thought for others, but an aspiration that makes you reach upward. True, you may never completely achieve your ambition, but

"A man's reach should exceed his grasp
Or what's a heaven for?"

Fred Graef



DEDICATION

Mr. Jones,

Since 1957, Mr. Jones, not only in your teaching of English and foreign language but also in your faithful services as Class sponsor, you have been and still are a vital part of Lord Baltimore High School life. Therefore to you with love and esteem we, the class of 1960, dedicate our edition of "The Eagle's Nest."

PRESIDENT OF BOARD

MR. AMOS F. McCABE

Class of 1960

The trustees of the Lord Baltimore Consolidated School congratulate the class of 1960.

Remember that learning never stops and that which you have learned here is only a beginning. The more you have learned the more you will want to learn.

We certainly wish for you all the good things in life to make you happy, but remember wishing does not do it - carefully planned work usually will.

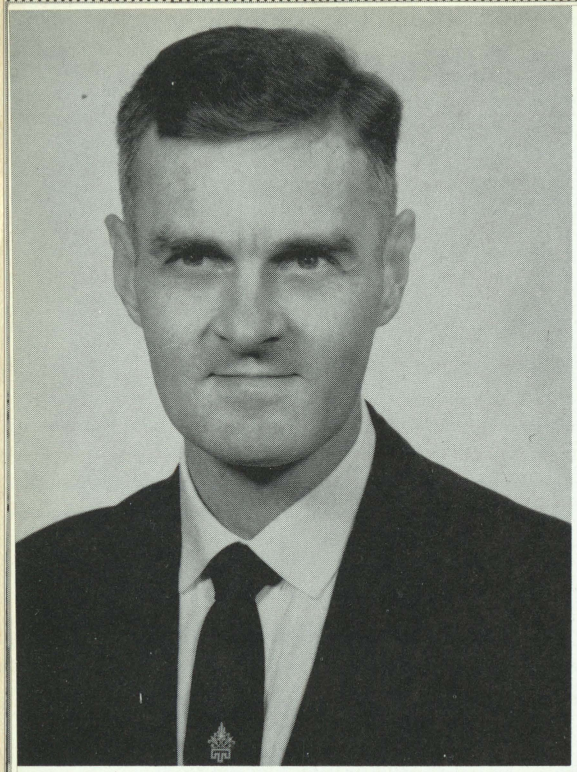
SENIORS



To The Class of 1960:

It has been my great good fortune to be for three years the sponsor of the class of 1960. I wish all of you success and happiness in the years to come. I know that you will find your years of schooling at Lord Baltimore of incalculable value in your careers and that you will look back at times with nostalgia to the laughter we shared in our less serious moments. Good luck to all of you on the road of life!

AS YOUR CLASS OFFICERS WE HOPE WE HAVE SERVED WELL

THE CLASS HISTORY

On a rainy September morning in 1948 fifty-six eager beavers entered the halls of L. B. Our class was divided into two groups, Mrs. Gordy's room and Mrs. Hiestand's room. This marked the beginning of our twelve educational years at L. B.

In the second grade there were fifty-three of us and our teachers were Mrs. Ewing and Miss Grand. Every rainy day pots, pans, and buckets were used to catch the water that came through the roof of the old school house.

In grade three our teachers were Mrs. Long and Mrs. Bunting. This year, after Christmas vacation, we entered the brand new elementary building.

Our fourth grade teachers were Mr. Bant and Mrs. Arnold; fifth grade, Mrs. Evans Macklin and Mr. Mezick. In the sixth grade we were greeted by Mrs. Newton and again Mr. Mezick. In this grade we had an activity, which was presenting the play, JACK AND THE BEANSTALK.

Even though we were small when we entered the seventh grade, we felt very big. Our class advisors were Mrs. Koenig and Mr. Buckalew. Our eighth grade homeroom teachers were Mr. Mills, and Miss Rountree, who was later replaced by Mrs. Heckman. Dirk Mumford came to us this year from Millsboro. During these two exciting years we enjoyed many activities which consisted of bus rides to the movies and to the skating rink, and class parties at the school.

In the ninth grade we elected our class officers who were Bob Parsons, President; Dirk Mumford, Vice President; Grace Williams, Secretary; and Nancy Wingate, Treasurer. Mr. John Mills was our supervisor, who got us started off on our money making projects.

Our sophomore class officers were Bob Parsons, President; Floyd Lathbury, Vice President; Gary Rogers, Secretary; and Michael Melson, Treasurer. This year, we had still another class advisor, Mr. John M. Jones, who was to stay with us until we graduated.

During our junior year, we were saddened when Gary Rogers moved to Selbyville, and Jehu Walters transferred to Augusta Military Academy. This year, we were governed by Frank Phillips, President; Bob Parsons, Vice President; Dirk Mumford, Secretary; Michael Melson, Treasurer. This year, we had two benefit movies and one dance; we also gave the annual Junior-Senior Prom. Our theme was "Evening in Paris."

Our senior year started with a bang. We elected Bob Parsons, President; Charles Hudson, Vice President; Connie Mitchell, Secretary; Ruth Ann Vogel, Treasurer. We had a class dinner on which we made a sizable profit.

The junior class presented us with a fabulous Junior-Senior Prom a week before our senior trip.

A week later we left for Washington, D. C. Our chaperons were Mr. John Jones, Mr. and Mrs. Graef, and Mrs. Cleo McCann. We stayed at the Mariott Motor Motel, where we enjoyed the luxuries of a swimming pool and fine foods. The tours that we took while we were there were not only educational, but also interesting and enjoyable.

Our high school education ended on June 9, 1960, when we graduated from the Halls of Lord Baltimore.

DUKES

Dependability, service to the school, citizenship, and leadership are the qualities which led to the selection of Nancy Dukes as D.A.R. representative.

To Lorraine Hawe goes the honor of being Lord Baltimore's Future Homemaker. This Betty Crocker award is given in recognition of outstanding work in Home Economics.

SUSSEX COUNTY REPRESENTATIVE TO SWEDEN

Nancy had the good fortune to be selected by the Delaware Federation of Women's Clubs to be an American Field Service exchange student during the first term of this school year. Leaving from New York on June 24, 1959, she was sent to Gothenburg, Sweden, where she lived with a delightful family. Nancy started her formal education in an all-girls' school - Flicklaroverket - in a class of 22 charming and friendly girls.

Are you surprised - She also played on the school's newly-started basketball team? This gave her a chance to meet some lovely girls from other classes in the school.

St. Lucia costume

Outside of school there were several pleasant evenings with her classmates and friends from the basketball team, as well as many wonderful social activities with the Swedish AFSers in Gothenburg. This was one of the nicest, friendliest, and most interesting groups of young people with whom she had ever been acquainted.

After experiencing a Swedish Christmas, and touring Sweden as a climax, Nancy left her "second" family and country.

Here we see Nancy on the deck of the boat giving a farewell glance to Europe. Nancy now relaxes on her voyage across the ocean. Back in Lord Baltimore, she is kept busy relating her experiences to many groups. Here we see her wearing a native sweater.

THANK YOU

ALMA MATER

On the shores of dear Old Sussex
Reared against the sky
Proudly stands our Alma Mater
As the years go by.

Cherished by her sons and daughters
Memories sweet shall throng
Round our hearts, dear Alma Mater,
Where we've lived so long.

Forward, ever be our watchword,
Conquer and prevail.
Hail to thee, Our Alma Mater
L.B.H.S. - All Hail!

FAREWELL

". . . And departing, leave behind us Footprints on the sands of time."
